Tamworth Athletic Club

Tamworth Athletic Club was founded in April 1974 and moved to its present site in the 1980's. We are one of the few clubs in the country who own, manage and have total control over their facility. We are a voluntary, non-profit making organisation with CASC status (Community Amateur Sports Club). Coaches, Coaching Assistants, Bar Staff, Officials, Team Managers, Volunteers and Committee Members all give their time freely; without this the Club would not exist.

Tamworth AC draws members mainly from South Staffs, North Warks, Leics and South Derbys. We are an independent club owning our own track and clubhouse and were the first club to obtain lottery funding. Our 8 lane, 400m , floodlit all weather track with full field facilities, together with our well appointed clubhouse, provides an Ideal environment for our 400 members aged from 8 years upwards, to enjoy their athletics.

Athletes compete in cross country, sports hall, race walking, road and fell running and track & field competitions and leagues, both Indoor and outdoor, at a number of levels Including Local, Schools, Midlands Counties, English Schools, National and International.

Since 1992 the club has invested over half a million pounds in providing facilities. The continued success and growth of our club, combined with good management has given a solid foundation for its ongoing development. The club through its committee and members continues to grow with the objective of both maintaining and developing its existing facilities.

Membership is open for all aged 8 and over and members are encouraged to compete and become actively involved. Competition is available for members from the age of 10 years up to and including masters. Organised coaching is available through the direction of the Coaching co-ordinator.

As a private members club we ask that you observe the requirements of membership; that is paying annual membership on time (**1st January**) ; paying your training fees; observing track etiquette when training and when competing ensure that you are a credit not only to yourself but to the Club and to Tamworth.

Sport England Clubmark

Tamworth Athletic Club was the first club in Staffordshire and the third in the West Midlands to be awarded with the prestigious Sport England Clubmark status.
